Extraordinary admission procedure for applicants from Ukraine with refugee status for academic year 2022/2023

- **How to apply:** Applicants will apply on-line. The payment of admission fee (850 CZK) is required for accepting the application. Those who pass the admission exam, can apply during enrolment to study at Study Department for a refund of the admission fee. The fee will be fully refunded to bank account in the Czech Republic.
- **Required documents to be submitted with the application:** Officially certified copy of high school diploma and Certificate of successfully passed Czech language exam at B1 level (If applicant cannot provide such certificate, he/she will take written exam from Czech language at B1 level).
- **Information about entrance exam for the Economics and Management bachelor's degree programme:**
- **The exam will be in the form of written test from Mathematics and English (within a time limit of 60 minutes for both parts).** Assignments will be both in Czech and English language. The English test will be at the high school graduation level, ie level B1. Applicant will be admitted to the study if he/she obtains 50 % from whole entrance exam.
- **Information about entrance exam for the Innovation Project Management master's degree programme:**
- **The exam will be in the form of written test from the Basics of exact sciences and English (within a time limit of 90 minutes for both parts).** Assignments will be both in Czech and English language. The English test will be at the level of completed bachelor's studies, ie level B2. Applicant will be admitted to the study if he/she obtains 50 % from whole entrance exam.

MIAS CTU degree programmes offer a unique combination of business and management education with technical insights, assuring a high demand by prospective employers and broad career perspectives for graduates

Other advantages of studying at the Masaryk Institute of Advanced Studies:

- Teaching emphasizes teamwork and solving specific projects
- International cooperation in teaching and research
- Wide range of study trips to foreign universities, international project workshops
- Important personalities from practice pass on their experience, the opportunity to complete an internship in a major company or institution
- Cooperation with major business entities in the areas of financial management, automation, logistics, IT and telecommunications (eg Hyundai, Komerční banka, Aداstra, Alza, České radiokomunikace, Zásilkovna, etc.)

All degree programmes are accredited by the National Accreditation Bureau for Higher Education. MIAS uses the internationally recognized European Credit Transfer and Accumulation System (ECTS). Each academic year is organized in two semesters with an extended summer break. Classes are usually structured and concentrated within a week in a way that allows students to manage their time effectively. Seminars are taught in small groups, which enhances cooperation and communication. MIAS is located within [Dejvická campus](#) in one of the most desirable districts of Prague.
