* Further details are provided in the timetables of individual faculties and institutes. They can also adjust the end of the instruction period and the beginning of the examination period. The timetables of individual faculties and institutes must be published at least 1 month prior to the start of the academic year.

** During the summer holidays, faculties and institutes may organize courses, summer schools and other academic activities.

Between 3 September 2018 and 30 September 2018, it is possible to take the state final examinations, carry out registration for studies, etc.

Professional practice and classes can be organized throughout the academic year.

Discussed by Rector's Collegium on 14 November 2016
Discussed by the CTU Academic Senate on 30 November 2016

Promulgated on 1 December 2016

Prof. Ing. Petr Konvalinka, CSc. FEng.
Rector of CTU
